

Erratum to "Low-complexity MIMO multiuser receiver: A joint antenna detection scheme for time-varying channels"

Charlotte Dumard and Thomas Zemen

In equation (34) the term 2 is missing in the denominator.

The correct version reads

$$\Lambda_{mm} = \frac{1}{2\nu_{D\max}} \sum_{k=1}^K \sum_{t=1}^{N_T} \sum_{i=0}^{D-1} \frac{1}{N} u_i^2[m] (1 - |\tilde{b}_{(k,t)}[m]|^2). \quad (34)$$
